## Xbox Games Store

Connect to the Xbox Games Store to access downloadable content.  
(You must be signed in to Xbox Live.)

## Game Over

You and your partner will take damage if attacked or are caught in a trap. If you take too much damage, your character will die and it will be game over.

The game will end even if only one character dies.

Press **X** to check character health via the heart monitor in the status screen.

Try to stay out of the Danger zone.

# Changing Costumes

You can change costumes by following the steps below.

① Select your Personal Item on the status screen, and then select "Switch." Change your Personal Item to the Suitcase.

② Select the Suitcase and then select "Use" to see the costumes you own. Select the costume you want to use.

# Saving & Loading

To save your game's progress, you need to obtain an Ink Ribbon and then use it at a Typewriter.

## Saving a Game

To save your game's progress, you need to have an Ink Ribbon. Once you have one, press **A** at a typewriter. It will ask you if you want to save. Select "yes" to do so.

A save file list will be displayed. Select a file and press **A** to save.

## CAUTION

It costs one Ink Ribbon to save, but they are limited so use them wisely!

## Loading a Game

Choose "Load Game" from the title screen and then choose a save file to continue a game you previously saved.

★The font color of the save file represents the game's difficulty setting.
